2. Shares Reserved for the Plan.

There shall be reserved for issuance and purchase by employees under the Plan an aggregate of 10,000,000 Shares, subject to adjustment as provided in Section 12, any or all of which Shares may be granted under the Code Section 423(b) Component. Shares subject to the Plan may be Shares now or hereafter authorized but unissued, or Shares that were once issued and subsequently reacquired by the Company. If and to the extent that any right to purchase reserved Shares shall not be exercised by any employee for any reason or if such right to purchase shall terminate as provided herein, Shares that have not been so purchased hereunder shall again become available for the purposes of the Plan unless the Plan shall have been terminated, but such unpurchased Shares shall not be deemed to increase the aggregate number of Shares specified above to be reserved for purposes of the Plan (subject to adjustment as provided in Section 12).

3. Administration of the Plan.

The Plan shall be administered by the Committee appointed by the Board of Directors. The Board of Directors shall consider the rules of Rule 16b-3 promulgated under the Exchange Act in connection with any such appointment, if and to the extent that such appointments may have an effect thereunder. Each member of the Committee shall serve at the pleasure of the Board of Directors. The acts of a majority of the members present at any meeting of the Committee at which a quorum is present, or acts approved in writing by a majority of the entire Committee, shall be the acts of the Committee for purposes of the Plan. If and to the extent applicable, no member of the Committee may act as to matters under the Plan specifically relating to such member. Notwithstanding the foregoing, the Board of Directors may designate the Compensation Committee of the Board of Directors to act as the Committee hereunder.

The Committee may make such rules and regulations and establish such procedures and sub-plans for the operation and administration of the Plan as it deems appropriate, including relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures for jurisdictions outside of the United States. The Committee shall have authority to interpret the Plan, with such interpretations to be conclusive and binding on all persons and otherwise accorded the maximum deference permitted by law and shall take any other actions and make any other determinations or decisions that it deems necessary or appropriate in connection with the Plan or the administration or interpretation thereof.

4. Eligible Employees.

Except as described below, all employees of the Company and its Designated Companies shall be eligible to participate in the Plan, provided that each of such employees does not own, for purposes of Section 423 of the Code, immediately after the right is granted, stock possessing 5% or more of the total combined voting power or value of all classes of capital stock of the Company or of a Subsidiary.

To the extent permitted under local law, the Committee may also exclude from participation in the Plan any or all of (i) a group of highly compensated employees designated by the Committee as being ineligible to

participate in the Plan as permitted by Section 423(b)(4)(D) of the Code, (ii) employees who have been employed by the Company or any Subsidiary for less than 2 years, (iii) employees whose customary employment is for not more than 5 months in any calendar year, and (iv) employees who customarily work 20 hours per week or less. The employment of an employee of a Subsidiary or an Affiliate which ceases to be a "Subsidiary" or an "Affiliate" as defined herein shall, automatically and without any further action, be deemed to have terminated (and such employee shall cease to be an Eligible Employee hereunder).

5. Election to Participate and Payroll Deductions/Contributions.

Each Eligible Employee may elect to participate in the Plan during the Enrollment Period immediately prior to the beginning of each Offer Period during a Plan Year. Each Eligible Employee may elect a payroll deduction of from 1% to 25% of Eligible Compensation from each paycheck, in increments of 1% (i.e., 1%, 2%, 3%, etc.), unless otherwise so provided by the Committee. Elections under this Section 5 are subject to the limits set forth in Section 6. All payroll deductions shall be credited, as promptly as practicable, to a Payroll Account in the name of the Participating Employee. The Committee, in its discretion, may decide that an Eligible Employee may contribute to the Plan by means other than payroll deductions. All funds held by the Company under the Plan shall not be segregated from other corporate funds (except that the Company may in its discretion establish separate bank or investment accounts in its own name) and may be used by the Company for any corporate purpose, unless otherwise required by local law.

Each Participating Employee may cancel his or her election to participate in the Plan by signing and delivering written notice to the Committee, on a form specified for such purpose by the Committee, at such times as may be established by the Committee. In such case, the entire balance in the Payroll Account of such former Participating Employee shall be repaid to such former Participating Employee as promptly as practicable in accordance with Section 9, without interest (unless required by local law). Upon such voluntary withdrawal during an Offer Period by a Participating Employee, such withdrawing Participating Employee

may not be entitled to participate in the Plan again for such time as may be established by the Committee. Thereafter, such Eligible Employee is eligible to participate in subsequent Offer Periods under the Plan upon timely delivery of a new enrollment form.

Unless prohibited by any applicable laws, regulations or stock exchange rules, the Committee, in its discretion, may prescribe that, if the Fair Market Value of the Shares on a Purchase Date within an Offer Period then in progress is lower than the Fair Market Value of the Shares on the first business day of such Offer Period, then each Participating Employee in such Offer Period shall automatically be deemed (i) to have withdrawn from such Offer Period at the close of the Purchase Period ending on such Purchase Date, and (ii) to have enrolled in a new Offering Period commencing on the business day immediately following the last Saturday of May or November of each year, as applicable (or, if such date is not a trading day, the trading day immediately following such date, unless otherwise provided by the Committee).

Subject to the preceding paragraphs of this Section 5, if so provided by the Committee, an Eligible Employee who is a Participating Employee immediately prior to the beginning of an Offer Period will be deemed (i) to have elected to participate for such Offer Period and (ii) to have authorized the same percentage payroll deduction for such Offer Period in effect for such Eligible Employee as that in effect (without regard to Section 6) on the day before such Offer Period. The Committee may adopt the procedures set forth in the foregoing sentence for some but not all Offer Periods.

6. Limitation of Number of Shares That an Employee May Purchase.

No right to purchase Shares under the Plan shall provide an employee the right to purchase Common Stock under all employee stock purchase plans of the Company and its Subsidiaries which accrues at a rate which in the aggregate exceeds \$25,000 of the fair market value of such stock (determined under Section 423 of the Code at the time the right is granted) for each calendar year in which the right is outstanding at any time. Notwithstanding the foregoing, the maximum number of shares of Common Stock that an Eligible Employee may purchase during an Offer Period shall not exceed 1,600 shares.

7. Purchase Price.

The purchase price for each Share shall be the lesser of (i) 85% of the Fair Market Value of such Shares on the Offer Date and (ii) 85% of the Fair Market Value of such Shares on the Purchase Date.

8. Method of Purchase.

As of the Purchase Date, each Participating Employee shall be deemed, without any further action, to have purchased the number of whole Shares which the balance of his or her Payroll Account at that time will purchase, determined by dividing the balance in his or her Payroll Account not theretofore invested by the purchase price as determined in Section 7.

All Shares purchased as provided in the foregoing paragraph shall be initially maintained in separate Stock Accounts for the Participating Employees at a brokerage firm selected by, and pursuant to an arrangement with, the Company. The Company shall deliver the shares to the Stock Account as soon as reasonably practicable after the close of the applicable Purchase Date. A Participating Employee shall be free to undertake a disposition (as that term is defined in Section 424 of the Code) of the Shares in his or her Stock Account at any time, whether by sale, exchange, gift or other transfer of legal title, but, for Participating Employees in the Code Section 423(b) Component, in the absence of such a disposition of such Shares, unless otherwise provided by the Committee, the Shares must remain in the Participating Employee's Stock Account at the brokerage firm so selected until the holding period set forth in Section 423(a) of the Code has been satisfied. With respect to those Shares for which the Section 423(a) holding period has been satisfied or which are held by Participating Employees in the Non-Section 423(b) Component, the Participating Employee may, without limitation, move those Shares to another brokerage account of the Participating Employee's choosing or request that a stock certificate be issued and delivered to him or her.

If and to the extent provided by the Committee, for so long as such Shares are maintained in Stock Accounts, all dividends paid with respect to such Shares shall be credited to each Participating Employee's Stock Account, and will be automatically reinvested in whole Shares. The Committee may provide that transaction fees incurred with respect to dividend reinvestment may be paid by the Company.

Unless otherwise provided by the Committee, in no event shall fractional Shares be purchased hereunder, and any remaining cash in a Participating Employee's Payroll Account resulting from such failure to invest in fractional Shares shall remain in the Payroll Account for use in the next Offer Period; provided, however, that, if the Participating Employee is not an active Participating Employee for such next Offer Period, such remaining cash shall be returned to the Participating Employee as soon as practicable. Notwithstanding any other provision of the Plan, the Committee may permit the purchase of fractional Shares hereunder and establish rules and procedures relating thereto.

9. Termination of Participation or Employment.

The right to participate in the Plan shall terminate immediately when a Participating Employee ceases to be employed by the Company or a Designated Company for any reason (including death or disability) or a Participating Employee otherwise becomes ineligible. Participation also terminates immediately when the Participating Employee voluntarily cancels his or her election to participate in the Plan as provided in Section 5.

Notwithstanding any other provision of the Plan to the contrary, the Company shall distribute to such former Participating Employee (or, in the event of death, to his or her estate), the balance in his or her Payroll Account not theretofore invested, without interest (unless required by local law), any such distribution or payment to be made as soon as practicable. If applicable, fractional Shares will be sold on the open market and the Participating Employee will receive the net proceeds, if any, after all fees have been paid.

10. Rights as a Stockholder.

At the time funds from a Participating Employee's Payroll Account are used to purchase the Common Stock, he or she shall have all of the rights and privileges of a stockholder of the Company with respect to the Shares purchased under the Plan whether or not certificates representing such Shares have been issued.

11. Rights Not Transferable.

Rights granted under the Plan are not transferable by a Participating Employee other than by will or the laws of descent and distribution and are exercisable during his or her lifetime only by him or her.

12. Adjustment in Case of Changes Affecting Common Stock.

If (i) the Company shall at any time be involved in a merger, consolidation, dissolution, liquidation, reorganization, exchange of shares, sale of all or substantially all of the assets or stock of the Company or its Subsidiaries or a transaction similar thereto, (ii) any stock dividend, stock split, reverse stock split, stock combination, reclassification, recapitalization or other similar change in the capital structure of the Company, or any distribution to holders of Common Stock other than cash dividends, shall occur or (iii) any other event shall occur which in the judgment of the Committee necessitates action by way of adjusting the number or kind of shares, or both, which thereafter may be sold under the Plan, then the Committee may forthwith take any such action as in its judgment shall be necessary to preserve to the Participating Employees' rights substantially proportionate to the rights existing prior to such event, and to maintain the continuing availability of Shares under Section 2 and the last sentence of Section 6 (if Shares are otherwise then available) in a manner consistent with the intent hereof, including, without limitation, adjustments in (x) the number and kind of shares subject to the Plan, (y) the purchase price of such shares under the Plan, and (z) the number and kind of shares available under Section 2 and the last sentence of Section 6. To the extent that such action shall include an increase or decrease in the number of Shares (or units of other property then available) subject to the Plan, the number of Shares (or units) available under Section 2 and the last sentence of Section 6 above shall be increased or decreased, as the case may be, proportionately, as may be provided by Committee in its discretion.

Notwithstanding any other provision of the Plan, if the Common Stock ceases to be listed or traded, as applicable, on a national stock exchange or over-the-counter market (a "Triggering Event"), then, in the discretion of the Committee, (i) the balance in the Participating Employee's Payroll Account not theretofore invested may be refunded to the Participating Employee, and such Participating Employee shall have no further rights or benefits under the Plan, (ii) an amount equal to the product of the Fair Market Value of a Share on the date of the Triggering Event multiplied by the number of Shares such Participating Employee would have been able to purchase with the balance of his or her Payroll Account on such Triggering Event if such Triggering Event were the Purchase Date may be paid to the Participating Employee, and such Participating Employee shall have no further rights or benefits under the Plan, or (iii) the Plan may be continued without regard to the application of this sentence.

13. Amendment of the Plan.

The Board of Directors may at any time, or from time to time, amend the Plan in any respect; provided, however, that the Plan may not be amended in any way that would cause, if such amendment were not approved Company's shareholders, the Code Section 423(b) Component to fail to comply with

- (i) the requirements for employee stock purchase plans under Section 423 of the Code; or
- (ii) any other requirement of applicable law or regulation;

unless and until stockholder approval is obtained.

14. Termination of the Plan.

The Plan and all rights of employees hereunder shall terminate:

- (i) on the date that Participating Employees become entitled to purchase a number of Shares greater than the number of

reserved Shares remaining available for purchase; or

- (ii) at any time, at the discretion of the Board of Directors.

In the event that the Plan terminates under circumstances described in (i) above, reserved Shares remaining as of the termination date shall be subject to Participating Employees on a pro rata basis. No termination of the Plan shall alter or impair any rights outstanding at the time of the such termination to purchase Shares pursuant to any offering of the right to purchase Shares hereunder.

15. Governmental and Other Regulations; Further Assurances.

The Plan, and the grant and exercise of the rights to purchase Shares hereunder, and the Company's obligation to sell and deliver Shares upon the exercise of rights to purchase Shares, shall be subject to all applicable federal, state and foreign laws, rules and regulations, and to such approvals by any regulatory or governmental agency as may be required. The Company shall not be required to issue or deliver any certificates for Shares prior to the completion of any registration or qualification of such Shares under, and the obtaining of any approval under or compliance with, any state or federal law, or any ruling or regulation of any government body which the Company shall, in its sole discretion, determine to be necessary or advisable. Certificates for Shares issued hereunder may be legended as the Committee may deem appropriate.

The Participating Employee shall take whatever additional actions and execute whatever additional documents the Committee may in its reasonable judgment deem necessary or advisable in order to carry out or effect one or more of the obligations or restrictions imposed on the Participating Employee pursuant to the Plan.

16. Non-U.S. Subsidiaries.

Without amending the Plan, the Committee may allow for participation under the terms hereunder by Eligible Employees of non-U.S. Subsidiaries and Affiliates with such modifications of the terms and conditions otherwise specified hereunder as may in the judgment of the Committee be necessary or desirable to foster and promote achievement of the purposes hereof, and, in furtherance of such purposes, the Committee may make such amendments, procedures and the like and establish such sub-plans as may be necessary or advisable to comply with provisions of laws (including tax laws) in other countries in which such Subsidiaries and Affiliates operate or have employees.

17. Indemnification of Committee.

The Company shall indemnify and hold harmless the members of the Board of Directors of the Company and the members of the Committee from and against any and all liabilities, costs and expenses incurred by such persons as a result of any act or omission to act in connection with the performance of such person's duties, responsibilities and obligations under the Plan if such person acts in good faith and in a manner that he or she reasonably believes to be in, or not opposed to, the best interests of the Company, to the maximum extent permitted by law.

18. Withholding; Disqualifying Dispositions.

Notwithstanding any other provision of the Plan, the Company or any Designated Company, as appropriate, shall have the authority and the right to deduct or withhold, or require a Participating Employee to remit to the Company or the Designated Company, an amount sufficient to satisfy U.S. federal, state, and local taxes and

taxes imposed by jurisdictions outside of the United States (including income tax, social insurance contributions, payment on account and any other taxes that may be due) required by law to be withheld with respect to any taxable event concerning a Participating Employee arising as a result of his or her participation in the Plan or to take such other action as may be necessary in the opinion of the Company or a Designated Company, as appropriate, to satisfy withholding obligations for the payment of taxes. No shares shall be delivered hereunder to any Participating Employee until the Participating Employee has made arrangements acceptable to the Company for the satisfaction of these tax obligations with respect to any taxable event concerning the Participating Employee's participation in the Plan.

If Shares acquired under the Plan are disposed of in a disposition that does not satisfy the holding period requirements of Section 423(a) of the Code, such Participating Employee in the Code Section 423(b) Plan who is employed by a Designated Company which is part of the Company's U.S. federal income tax return shall notify the Company in writing as soon as practicable thereafter of the date and terms of such disposition.

19. Notices.

All notices or other communications by a Participating Employee to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated

by the Company for the receipt thereof.

20. Severability.

If any particular provision of this Plan is found to be invalid or unenforceable, such provision shall not affect the other provisions of the Plan, but the Plan shall be construed in all respects as if such invalid provision had been omitted.

21. No Right to Continued Employment.

The Plan and any right to purchase Common Stock granted hereunder shall not confer upon any employee any right with respect to continued employment by the Company or any Subsidiary or Affiliate, nor shall they restrict or interfere in any way with the right of the Company or any Subsidiary or Affiliate by which an employee is employed to terminate his or her employment at any time.

22. Captions.

The use of captions in the Plan is for convenience. The captions are not intended to and do not provide substantive rights.

23. Effective Date of the Plan.

The Plan shall be effective as of the Effective Date, provided that the Plan is approved by stockholders prior thereto.

24. Code Section 409A.

The Code Section 423(b) Plan is exempt from the application of Section 409A of the Code. The Non-423(b) Component is intended to be exempt from Section 409A of the Code under the short-term deferral exception and any ambiguities shall be construed and interpreted in accordance with such intent. In the case of a Participating Employee who would otherwise be subject to Section 409A of the Code, to the extent an option to purchase Shares or the payment, settlement or deferral thereof is subject to Section 409A of the Code, the option to purchase Shares shall be granted, paid, exercised, settled or deferred in a manner that will comply with Section 409A of the Code, including the final regulations and other guidance issued with respect thereto, except

as otherwise determined by the Board or Directors or the Committee. Notwithstanding the foregoing, the Company shall have no liability to a Participating Employee or any other party if the option to purchase Common Stock under the Plan that is intended to be exempt from or compliant with Section 409A of the Code is not so exempt or compliant or for any action taken by the Board of Director or the Committee with respect thereto.

25. Governing Law.

The provisions of the Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to its conflict of law rules.
